

At Cambridge Road, the pupils in KS2 study French as their modern foreign language. Madame Taber, a language specialist, comes into school once a week and takes each of the four KS2 classes for approximately 45 minutes.

The teaching provides an appropriate balance between spoken and written language and lays the foundation for further foreign language teaching at KS3. It aims to enable pupils to understand and communicate ideas, facts and feelings in speech and writing, focused on familiar and routine matters, using their knowledge of phonology, grammatical structures and vocabulary.
